Apple on a Stick

Could I have an apple on a stick?
Dipped in car'mel, gotta eat it quick!
A tasty treat to keep the doc away
Here on this autumn day.

Would you like an apple on a stick?
Plain or with nuts, you can take your pick.
A tasty treat when leaves begin to fall,
Yummy for one and all.

So sweet and crunchy!
So ooey gooey!
Let's make another
For me and you-eg!

(Whistle melody)

Could I have an apple on a stick?
Dipped in car'mel, gotta eat it quick!
A tasty treat to keep the doc away
Here on this autumn day.

Would you like an apple on a stick?
Plain or with nuts, you can take your pick.
A tasty treat when leaves begin to fall,
Yummy for one and all.

Try it you'll have a ball!
Yummy for one and all!
(Spoken) Car'mel apples gum!

Duchess for Tea

I went out with the duchess for tea
It was just as I thought it would be
Her rumblings abdominal
Were simply phenomenal
And everyone thought it was me.

South of the Border

Come, sing with me, the season is here,
Come, sing with me and spread the yuletide cheer.

Come, sing a song of countries far away,
Down south of the border and bring in Christmas day.

Driving rhythms, hear them play,
Dancing children sing and sway.
Joy abounds and love surrounds.
What gifts for this holiday!

Come, sing with me, the season is here,
Come, sing with me and spread the yuletide cheer.

Come, sing a song of countries far away,
Down south of the border and bring in Christmas day.

Sing out loud and strong.
Tap your feet, clap your hands to the holiday song.

Part 1:

Come, sing with me, the season is here,
Come, sing with me and
spread the yuletide cheer.
Come, sing a song of countries far away,
Down south of the border and bring in
Christmas day.

Part 2:

Come sing with me----
Come sing with me----
Come sing a song---
Down south of the border and bring in
Christmas day.

All:

Down south of the border and bring in Christmas day.

Shoulda Been a North Pole Elf

Lately I've been spending time thinkin' about myself.
And I have slowly come to realize that I'd shoulda been a North Pole elf.
Baking cookies, trimming trees, and all the other Christmas stuff,
Like hanging mistletoe and candy canes, oh I just can't get enough.

That is why I'm hopin' soon a job will open
To work with Santa Claus himself.
There's no way to deny it, really wanna try it.
I shoulda been a North Pole elf.

With a hammer and a nail, I'm something of a whiz.
And when it comes to wrapping packages, I'm the very best that there is.
I'd be good at making toys and stringing Christmas lights.
And please forgive me if I start to brag, but I'd probably look good in tights.

That is why I'm hopin' soon a job will open
To work with Santa Claus himself.
There's no way to deny it, really wanna try it.
I shoulda been a North Pole elf.

Lately I've been spending time thinkin' about myself.
And I have slowly come to realize that I'd shoulda been a North Pole elf.

(Spoken)
I shoulda, woulda, coulda been a North Pole elf!

SNOW

I'M LOOKIN' OUT MY WINDOW
AND I SEE A LOT OF GRAY.
LOOKS LIKE IT'S GONNA BE
ANOTHER WINTRY DAY.
GRAB MY COAT, GRAB MY HAT, CHECK MY APP.
YES THERE'S GONNA BE SOME SNOW,
AND IT'S COMIN' ALL THE WAY.

IT LOOKS LIKE-- SNOW.
I SEE THE-- SNOW.
HERE COMES THE-- SNOW.
JUST LET IT SNOW.

IT LOOKS LIKE-- SNOW.
I SEE THE-- SNOW.
HERE COMES THE-- SNOW.
JUST LET IT SNOW.

JUST LET IT SNOW, SNOW, SNOW, SNOW.
SNOW, SNOW, SNOW SNOW.

(REPEAT)

CODA:

SNOW, SNOW, SNOW, SNOW.
SNOW, SNOW, SNOW, SNOW.

Winter With You

Evening light doesn't linger now quite as long as before.
And the snow softly coats the ground, nature sleeps once more.

In this quiet place time finds a slower pace and I
Will not mind at all the cold outside if I could share this winter with you.

Part 1:

We can walk through the fields of white,
Watch the world on display.
See the stars fill a cloudless night,
All our cares fade away.

Part 2:

We can walk through the fields of white,
Watch the world on display.
See the stars fill a cloudless night,
All our cares fade away.

All:

In this quiet place time finds a slower pace and I
Will not mind at all the cold outside if I could share this winter with you.

Fires burn bright on December nights. Embers softly glow.
All is calm in the fading light. Gently falls the snow.

Part 1:

In this quiet place time
Finds a slower pace and I

Part 2:

Will not mind at all the cold outside
If I could share this winter with you.
We could share this winter.

We could share this winter.
